Beyond The Congregation

The Nith Valley EcoBoosters are helping to promote the **Together For Nature Tour** which is being organized by [Ontario Nature](#) and [Legal Advocates for Nature's Defence](#) and is taking place across Ontario in September. The **Together For Nature Tour** creates space to hear directly from Indigenous land protectors and youth leaders about what is happening in their homelands, why it matters, and how communities across Ontario can work together to support nature, Indigenous rights, and a healthier future for all. The organizers are inviting people to hear from [Okiniwak](#), [Here We Stand](#), and [the Friends of the Attawapiskat River](#) to amplify the voices of Indigenous youth and land protectors from Northern Ontario. In addition, Inuk singer-songwriter [Susan Aglukark](#) will be performing. The Kitchener tour event is taking place on **Thursday, September 17th at St. Matthews Lutheran Church, 54 Benton Street, Kitchener from 7 to 9:30 p.m.** Here is a link that will provide more information about the event, how to get tickets. <https://ontarionature.org/events/together-for-nature-tour/>
