## Protocol Reminders

We wish to create a safe environment for people to gather together in our building. We invite all to enter into this new way of being community together with gratitude to our God that we can adapt to new ways of being a faithful community. We ask that you are mindful of these protocols.

- Maintain a respectful distance between you and others when possible in all areas of the building. Please be mindful of this at the end of the service when exiting our worship space and avoid congestion in the foyer.
- The wearing of masks is encouraged acknowledging that for some the wearing of masks presents challenges. On Sunday morning masks are encouraged when entering, exiting and when visiting with each other.
- Quietly sing for hymns.
- Use the hand sanitizer as needed.
- Washrooms (upstairs and downstairs) are available for your use. If possible, limit to one person at a time.
- Be aware of the number of people in the foyer at one time. Please visit at respectful distances in the sanctuary.

## Congregational Notes:

**Mission Project - MCC Relief Kits** MCC is in desperate need of relief kits for places such as the Ukraine. Nith Valley Mennonite Church is planning a relief kit packing night at the end of June. In order to do that they need funds to purchase the materials. We want to partner with them and provide money to purchase the contents of the kit. Each kit costs \$51.42. Please consider making an above budget donation for this project. Our goal is enough money for 40 kits - one for each household on our active list of members. The total received so far is **\$1,415.68**. This will pay for almost **27** kits. This is the last Sunday to designate money for this project.

**Pop Cans** can be collected and returned to generate money. Please bring cans to church for Linda Cole to turn into cash or gift cards for people in her building. Leave them outside in the space beside the front door on the portable side of the steps.

### **Administrative Details**
